## BUSINESS OF THE MONTH

The Sherwood Chamber of Commerce is proud to recognize the Business of the Month for September, Datamax Micro.

Datamax Micro currently has two locations in Arkansas, one at 7400 Kanis Road in Little Rock and the other at 317 Third Street in Hot Springs.

Datamax began in St. Louis in 1955 as a mimeograph and supply company. During the 1960s, they expanded into the copier market. Datamax of Arkansas began in 1983. They also have locations in Dallas, Texas and Kansas City, Missouri. In 2000, Datamax merged with Micro Computer Technologies and became Datamax Micro.

Datamax Micro has been serving Arkansas for over 28 years and they have developed a reputation of excellence based on their ability to deliver perfect solutions to customers. Datamax Micro solutions begin with a total understanding of business needs. When it comes to analyzing a customer's specific needs, they start with the present reality, then create a long-term vision for their customer's technology.

Some of the products and services Datamax Micro offers are copiers, printers, fax machines, as well as supplies and IT management services. For more information about Datamax Micro visit their website at [www.datamaxarkansas.com](http://www.datamaxarkansas.com) or call (501) 603-3000.

## ***WE'RE ON THE MOVE!***

In case you missed the announcement at our August luncheon, beginning in September, our monthly luncheons will be held at the Greens at North Hills Golf Course located on Hwy 107. With this move comes a couple of changes.

1. The luncheon rate will be raised from \$10 to \$12. **THIS NOMINAL RATE INCREASE APPLIES TO ONLY THOSE WHO RSVP (BY PHONE OR EMAIL) BY 5:00 P.M THE TUESDAY PRIOR TO THE LUNCHEON.** Since our lunches are catered to order now, we MUST give them a number for food preparation and to avoid over-ordering.
2. If you won't know until the last minute whether or not you will be in attendance, we want to encourage you to come and you may pay \$15 at the door. There is a higher rate for last minute notification because our caterer's incur the risk of food waste by these varying attendance numbers.
3. **IF YOU NEED TO CANCEL YOUR RSVP YOU MUST DO SO BY 5:00 P.M. THE TUESDAY PRIOR TO THE LUNCHEON (BY PHONE OR EMAIL).** If you do not cancel your lunch by the specified time, a charge will be billed to you or your company.
4. Lastly, the "Guest Eat Free" program was intended to attract prospective new members but has not yielded as many new members as we had hoped and therefore will be discontinued. We do want to encourage you to bring guests and as their friend or co-worker, treat them to one of our lunches. Just remember to RSVP! If you have any questions or concerns please feel free to call the Chamber office at (501) 835-7600.
